

PRODUCT LINE CATALOGUE

Lockwood Plastic Products produced a familiar range of colorful plastic products, and this commission to design and produce a 4-color catalogue and accompanying specification sheets was an opportunity to design something quite unusual... an economically produced catalogue with very good photography, mostly shot in a greenhouse quite close to my studio.

ITEM NO. 06351
PLANT SWIVEL BRACKET
Clear Lexan gives this swivel plant bracket its subtle looks and super strength. Full color packaging sells itself.

ITEM NO. 06251
THE PLANT STAND
The multi-purpose mini-tastore is perfect for arrangements of houseplants, flowers or curios.
Clear trays of high-technology copolymer on chrome legs complement any color scheme and allows maximum exposure to sunlight for plants on the lower tray.
Sturdy construction supports large plants, while deep trays prevent floor damage from overwatering. Screwdriver construction.

ITEM NO. 06401
HANGING PLANT SHELVES
Twin hanging shelves support up to eight 6 1/2" plants. Complete hardware, including attractive white nylon cord, makes mounting a snap.

ITEM NO. 06151
PLANT DOLLY
Heavy duty clear plastic plant dolly allows for easy movement of large plants (up to 14" diameter pot) from room to room, while it blends with any decor.
Saucer base protects carpets from overwatering. Full color packaging makes selling and display easy. Simple one-step assembly.
Available in an assortment of almond, vanilla, earth brown and fudge brown.
ITEM NO. 06174
