

PRODUCT & SERVICE CATALOGUE

Pools by Andrews is a Massachusetts-based contractor, which builds custom pools, and also offers landscaping and other pool-related services. Their latest catalogue was a combination of superb photography and elegant graphic design. Designed in collaboration with Horvitz Communications. Andrew Horvitz – creative director and copywriter.

A Name You Can Trust

A backyard swimming pool, a pleasure once reserved for few, has today become a refreshing reality enjoyed by many. And, the company that families across New England trust to create their own personal aquascape is Pools by Andrews.

At Pools by Andrews, our goal is to make your dream of owning a swimming pool of the highest quality a wonderful, affordable actuality. In fact, providing quality swimming pools has been our family tradition since 1958.

When you select Pools by Andrews as your swimming pool builder, you are choosing a recognized name that you can rely on. 

2

3

Pools by Andrews pride themselves on being one of the best pool contractors anywhere, based on their years of service, their variety of choice of pool styles, which is admirably demonstrated in the photographs chosen for their catalogue – all of which are shown with full approval of their clients.

Beyond Water's Edge

Expand your swimming pool environment with a patio that is both attractive and usable. Your design consultant will introduce you to the many decking surfaces and textures available in a variety of patterns and colors.

Fencing is available in a diverse selection of styles designed to meet your personal needs for privacy and safety. There are many aesthetically pleasing fencing options that will become an integral part of your aquascape setting.

By choosing Pools by Andrews for your patio and fencing needs, you ensure timeliness and seamless coordination in the installation of your project.

This spread of the Pools by Andrews catalogue shows examples of their related services – patio construction, landscaping, waterfalls and fencing,

Building Your Dream

From plans to permits to final pool care instructions, Pools by Andrews creates your complete, personal swimming pool environment.

We use only the best materials and qualified craftsmen, all supervised by our experienced management team.

Pools by Andrews is committed to your swimming pool satisfaction, and to ensuring that your pool is built to last.
